

Dear Parent / Carer,

Year 11 Revision Programme – October Half Term

In order to support Year 11 students with revision for their mock exams starting on Monday 7 November and to complete coursework, we will be running a number of revision/coursework sessions during October half-term. Please see attached schedule.

Please encourage your son/daughter to attend all relevant sessions. If there is more than one subject running at the same time your child may choose which session to attend.

Students should attend for the full session. Students will **not** need to be in uniform. There will be no catering facilities open on site, so students should bring a packed lunch, if applicable.

Please support your child in attending the revision sessions/coursework sessions as attendance and engagement will help them prepare for their mock exams in November and have a positive impact on their achievement.

In addition to the half term revision programme, the Mathematics department will be running a Saturday morning revision session on Saturday 5 November 8.30am to 11.00am, prior to the first Maths mock exam on Monday 7 November. Further details will be sent in due course.

Thank you for your continued support.

Yours sincerely

K Harker
Vice Principal

Year 11 Revision Programme - October Half Term
