

7 February 2024

Dear Parent/Carer

Maths Revision Session - Saturday 24 February

To prepare your child for their final mock examinations this year, we are running a Maths revision session on Saturday 24 February from 9.00am until 11.15am.

The support that will be offered on this Saturday session will be vital in ensuring that your child is successful in their mock examinations, and so for this reason all students are expected to attend please.

If you have any questions about this or your child's progress in Maths, please do not hesitate to get in touch.

Yours faithfully

E Parker
