Dear Parent/Carer

Curriculum Information for Parents/Carers

At the academy we are committed to providing parents/carers with accurate and up to date information about what their child is learning. We are very proud of our curriculum offer; which was positively commented on in our most recent Ofsted inspection.

Curriculum information for all key stages and subjects can be found on the academy website, and to support parents/carers in being able to use the website effectively to find out about what their child is studying, I have created a video presentation which can be found by accessing the link below:

I hope that you find this information useful. Please do not hesitate to contact me, if you have any further questions.

Yours faithfully

L Grace
