A free course that gives adults the tools & information to keep their child safe online.

Safe-T-Net is a free course for Parents, Carers, Grandparents, Aunties & Uncles... in fact anyone who wants to keep children safe online.

Why not let your child 'teach' you how to keep them safe when online.

-  Is your child on a game or a social networking website?
-  Ever wondered how to check what they've been browsing?
-  Do they know what to say online & what not to?

Come along with your child to a free **Safe-T-Net** Course were you can:

-  gain an accredited qualification
-  have fun
-  spend quality time with your child
-  learn how to protect them when they're online
-  see just how much they know!
