

Together Students Achieve

Principal: Mr P Willerton

11 December 2024

Dear Parents/Carers

Purchasing Uniform

At The Sutton Academy we are extremely proud of our student uniform and the high standards we hold; with our uniform being a visible sign in the community of students being a member of the academy.

We work closely with our **official uniform supplier Price & Buckland** and are confident in the service they provide, guaranteeing all uniform items are high quality and meet our branding requirements.

We are aware that purchasing student uniform can be expensive and therefore ensure that the pricing structure of garments supplied by Price & Buckland is affordable and competitively priced.

On comparison to local retailers we have found items purchased online from Price & Buckland are on average cheaper; with blazers being £5.00 cheaper and the tartan skirt £6.00 cheaper.

We encourage all parents/carers to make purchases through Price & Buckland to ensure uniform items have the correct branding, are of a good quality and are at a cost that is better for you. To note - purchases over a total cost of £70.00 are eligible for free delivery to a home address, plus Price & Buckland provide free returns all year round.

For your information, academy ties can be purchased from main reception at a cost of £5.50.

To access our uniform shop please use the 'Quicklinks' menu on our website.

Kind regards

The Sutton Academy
