## Year 10 Revision Conference for Parents/ Carers

Dear Parents and Carers,

At the academy we are fully committed to supporting our parents/carers, as well as our students, through what is undoubtedly a challenging phase in their education. As we rapidly approach the first round of mock exams, which begin week commencing Monday 17 June, we are fully aware that many of our parents will be wondering what they should be doing at home to support their child in preparing for their GCSE's. We are often asked questions such as:

- *How much revision should my child be doing each night?*
- *What is the best way for my child to prepare for their English Language exam?*
- *What does my child need to do to achieve a higher grade in Science?*

To help answer frequently asked questions such as these, and to give you more advice and guidance about how to support your child through the GCSE examination period, we would like to invite you to a **Revision Conference** specifically designed for parents and carers. This event will take place on Thursday 6 June from 5.00pm – 6.30pm. You will hear from the Year 10 Leadership Team, as well as the Faculty Leaders of Maths, English, Science, Geography, History and Spanish. The event will take place in the Tech Plaza and refreshments will be provided.

All parents who attend will be able to collect a revision kit completely free of charge, which contains revision resources such as flash cards, highlighters and coloured pens. There are limited places available for this event, and places will be allocated on a first come first serve basis.

You are invited to register your attendance for the Parent Revision Conference by following the link below before the end of the day on Monday 3 June.

We are very proud of the support we offer our students and are confident we can provide your child with the opportunities and encouragement they need to reach their full potential. We hope we can work in strong partnership with parents in order to achieve this.

Please do not hesitate to contact me or a member of the Year 10 team, if you have any questions about the conference.

Yours faithfully

Mrs Grace
