Dear Parent/Carer

**A-Level Results Day - Thursday 15 August 2024**

Our Year 13 students have been working extremely hard in recent months to prepare themselves for their final A-Level examinations. Their hard work, along with the support that teachers and staff have provided, means that they have sat their exams with confidence. We are very excited to receive their results on Thursday 15 August 2024, and know that the results they receive will be testimony to the commitment both staff and students have shown.

Students will be invited to collect their results at the academy from 9.00am in the Technology Plaza. Once students have collected their results, all students will have an individual meeting with a member of the Academy Leadership Team to discuss their future destinations. These meetings will take place in the Community Base.

The academy will remain open for collection of results until 11.30am, after which, any uncollected results will be sent home via email/post. If you are unable to come into the academy to collect your results, please let me know and I will arrange for your results to be sent to you electronically on Thursday 15 August.

I hope you have a well-rested and enjoyable summer holiday, and we look forward to seeing you on results day.

Yours faithfully

Mrs L. Grace  
Vice Principal
